New user Arravind is login into the page

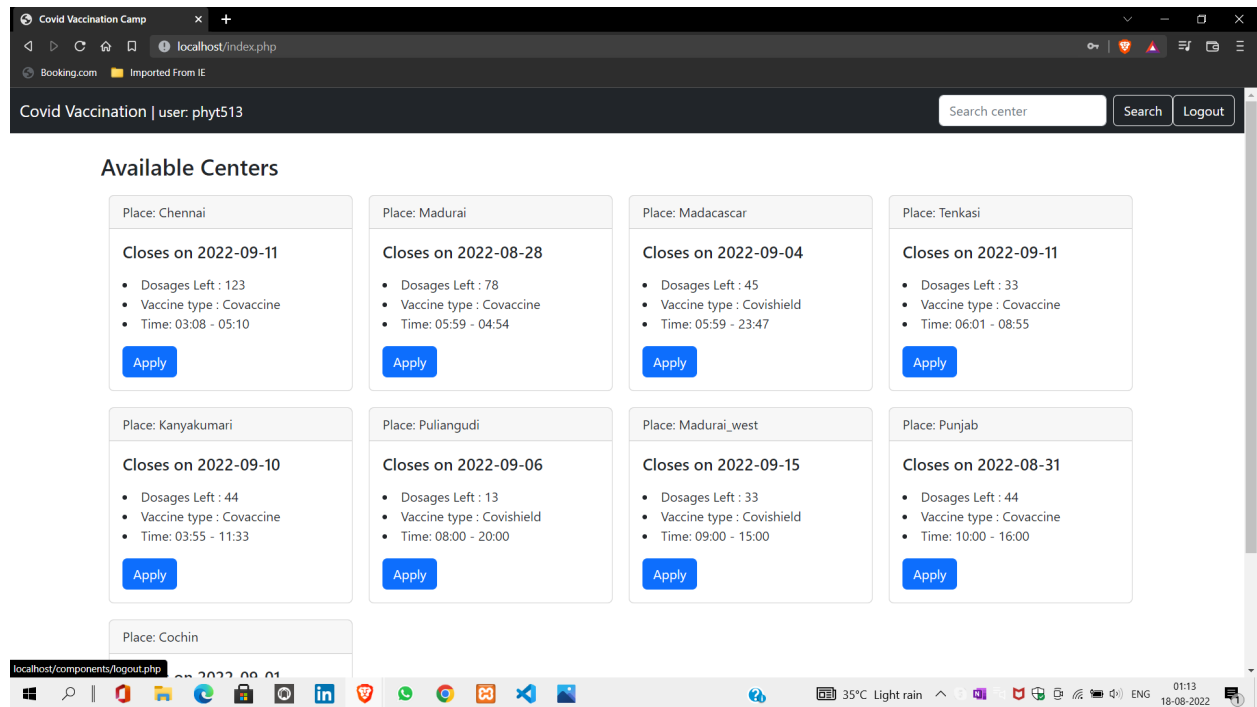

Apply for the vaccination:

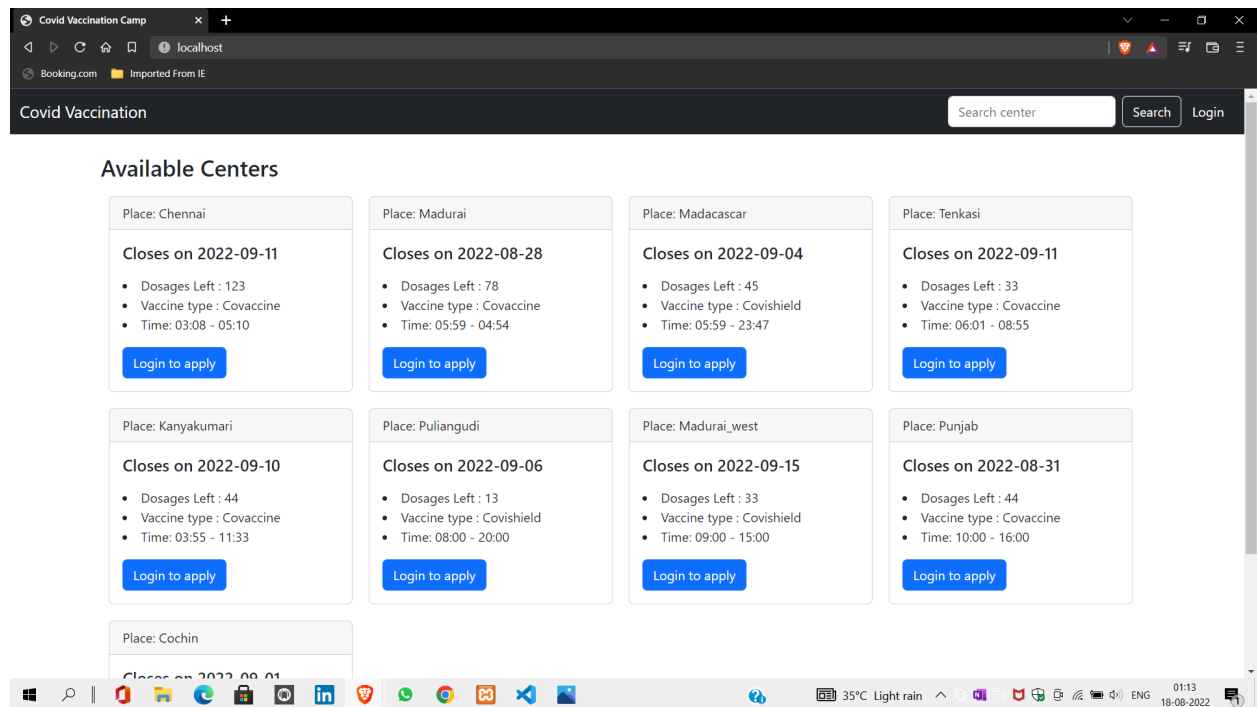

Arravind is apply a vaccination slot in chennai.

## Logout option:

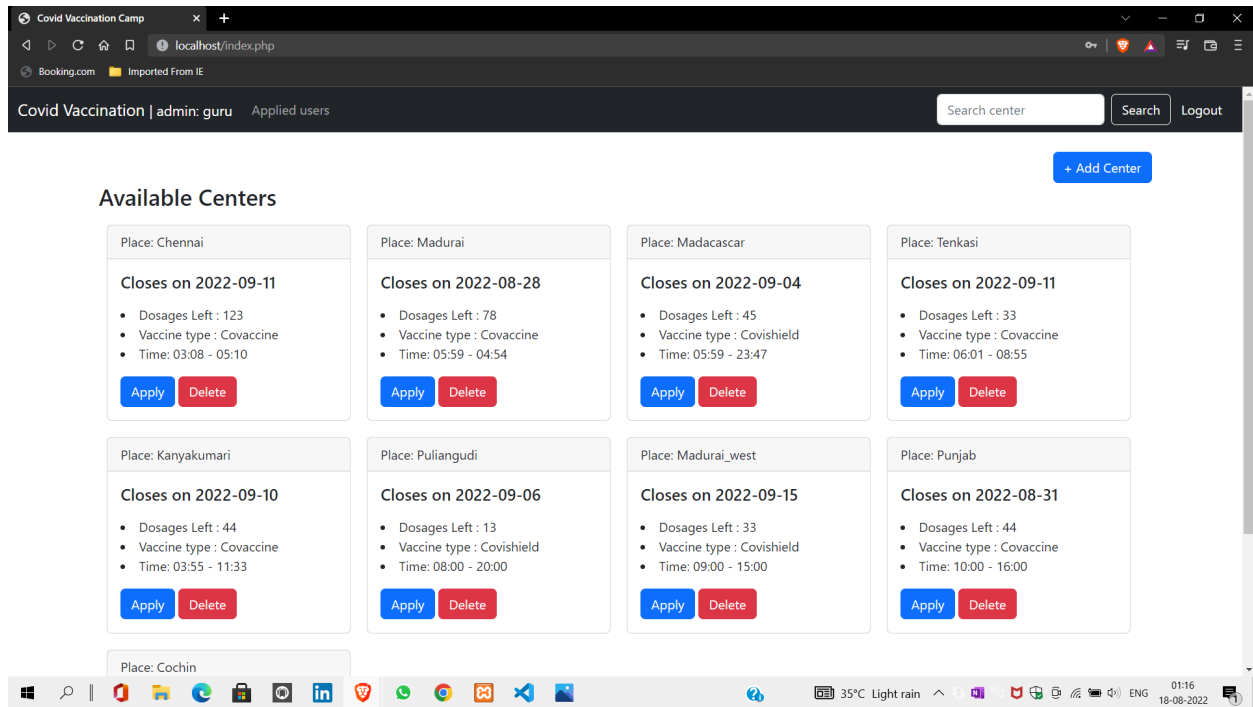

## Login for the user:

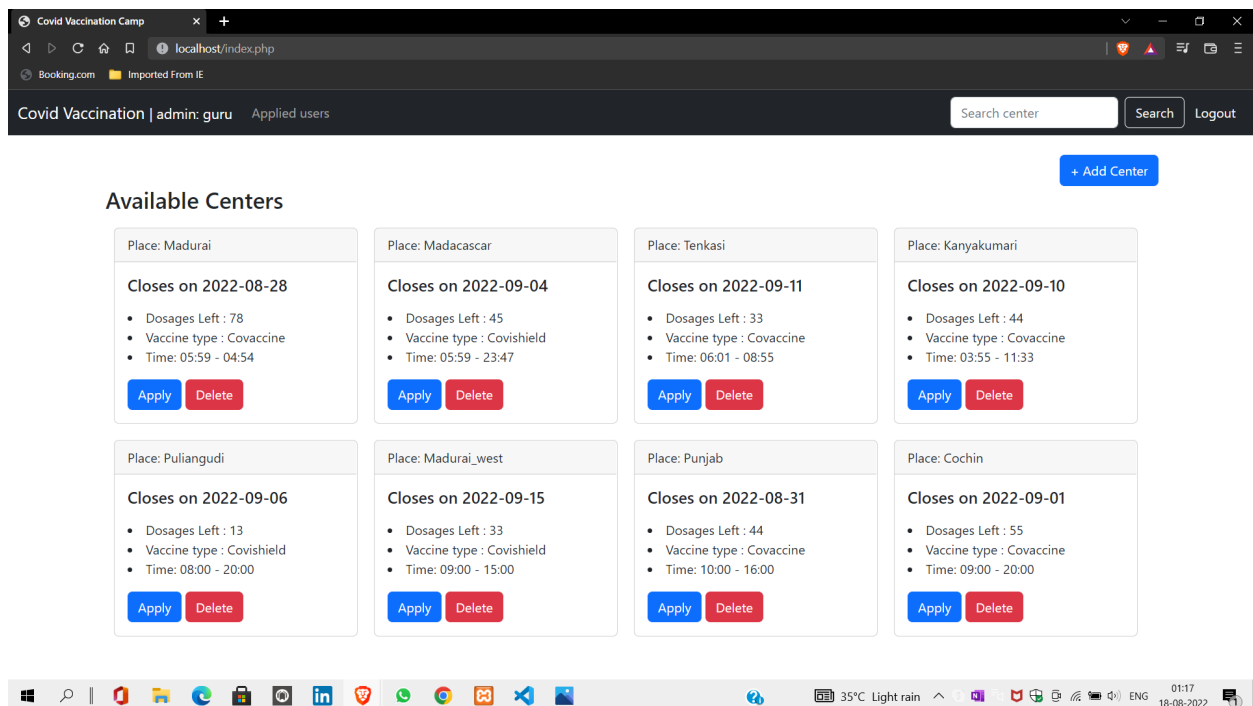

Admin ui:

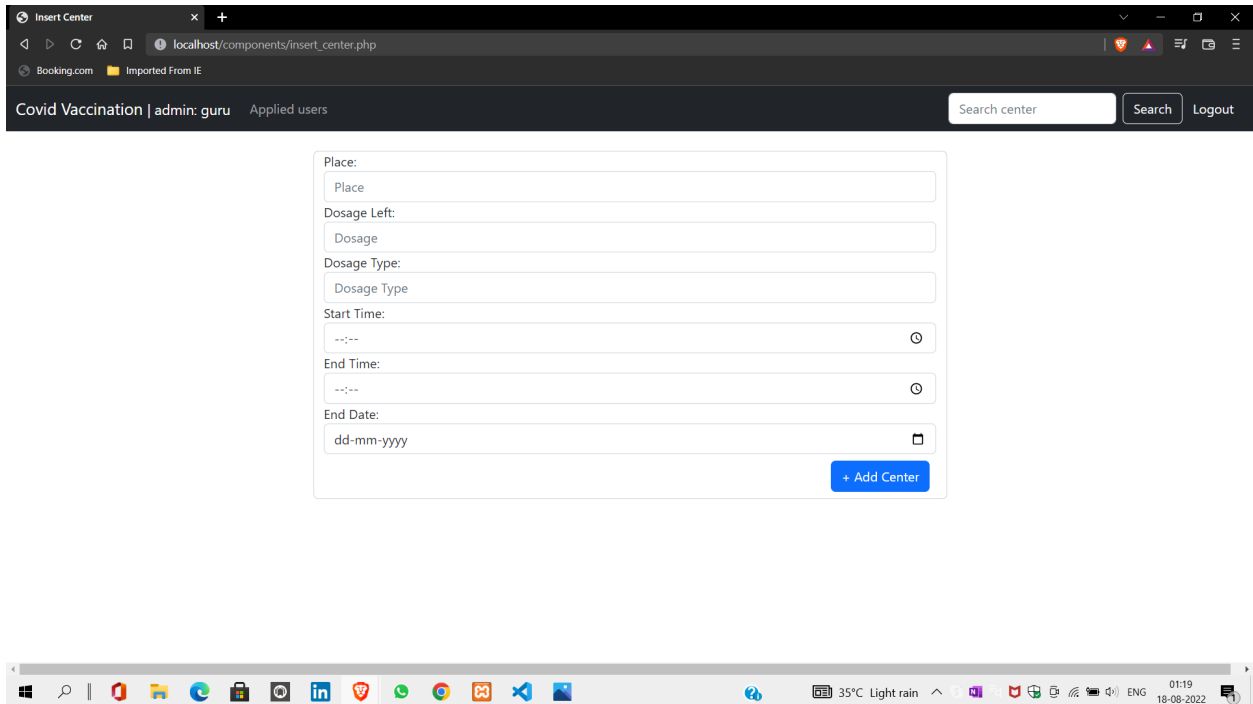

Admin is able to add the center and delete the particular center

If i want to delete the chennai centre means i will do that by the admin user.

If i want to add the center in the covid vaccination web application:

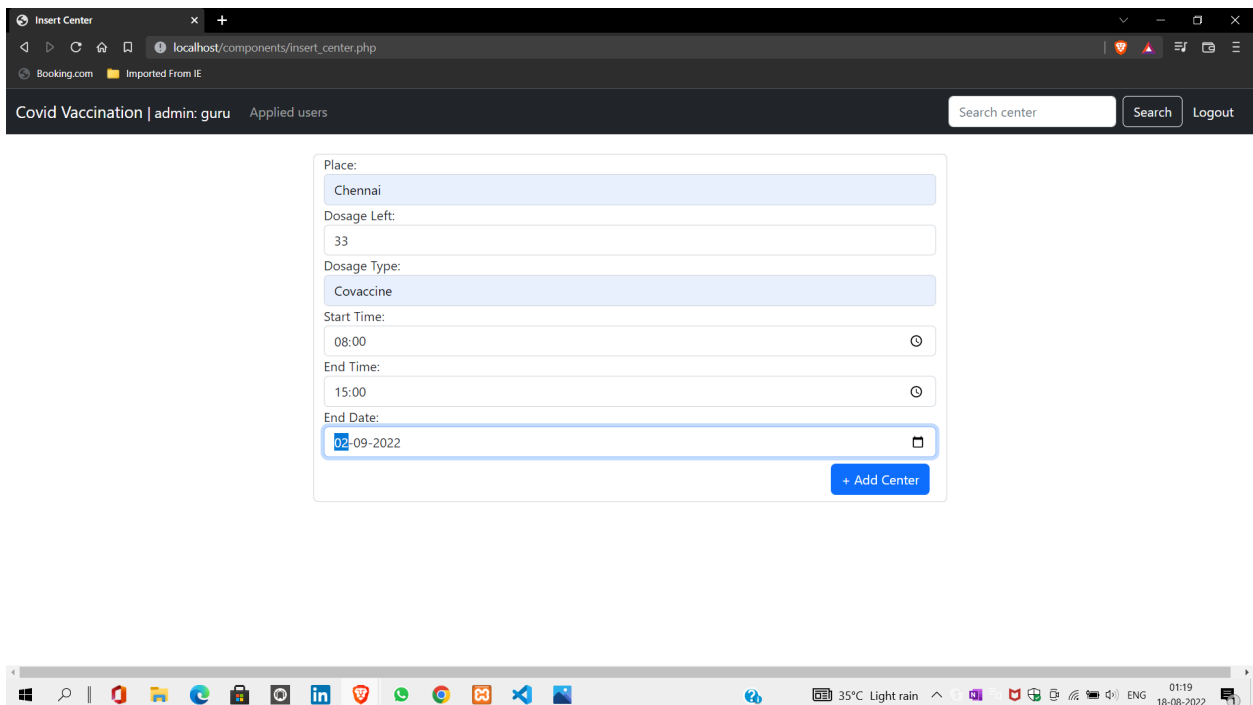

The screenshot shows a web browser window with the URL `localhost/components/insert_center.php`. The page header includes "Covid Vaccination | admin: guru" and "Applied users". A search bar with "Search center" and a "Search" button is present, along with a "Logout" link. The main form is titled "Insert Center" and contains the following fields:

- Place:
- Dosage Left:
- Dosage Type:
- Start Time:
- End Time:
- End Date:

A blue button labeled "+ Add Center" is located at the bottom right of the form.

By fill the form admin will add the center to the covid vaccination center:

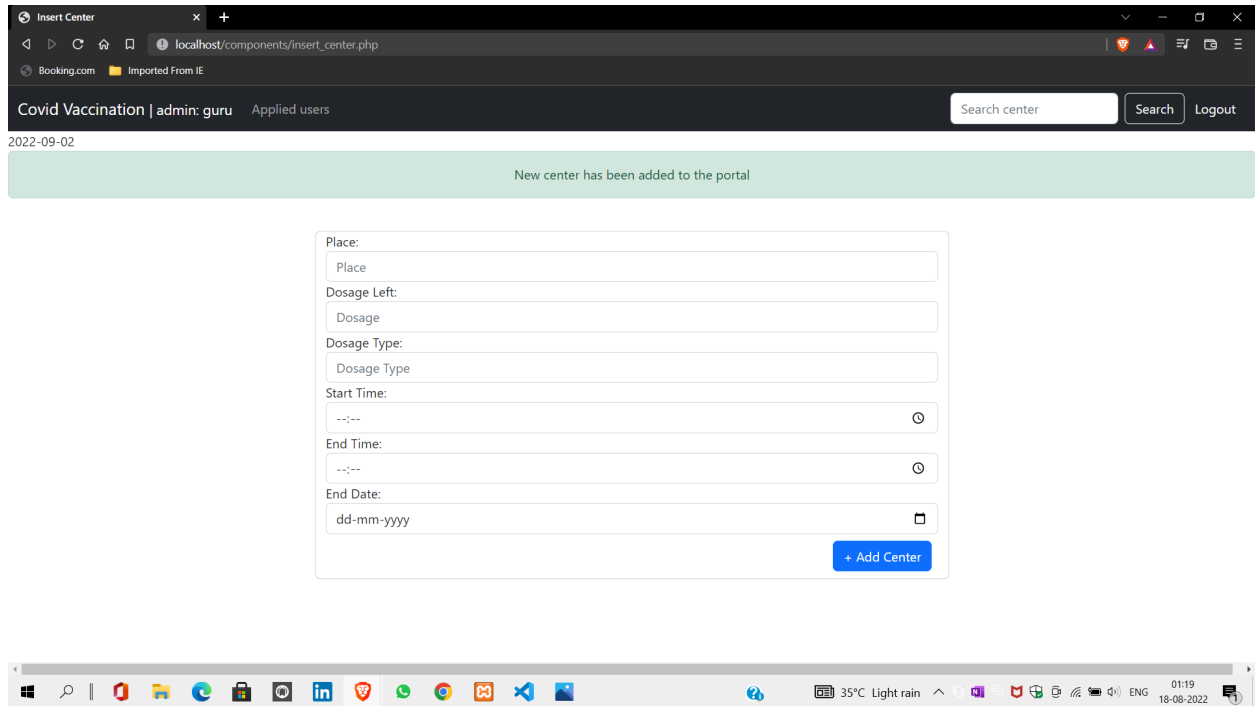

The screenshot shows the same web browser window, but the form is now filled with data:

- Place:
- Dosage Left:
- Dosage Type:
- Start Time:
- End Time:
- End Date:

The blue button labeled "+ Add Center" remains at the bottom right of the form.

Vaccination center added Successfully:
